

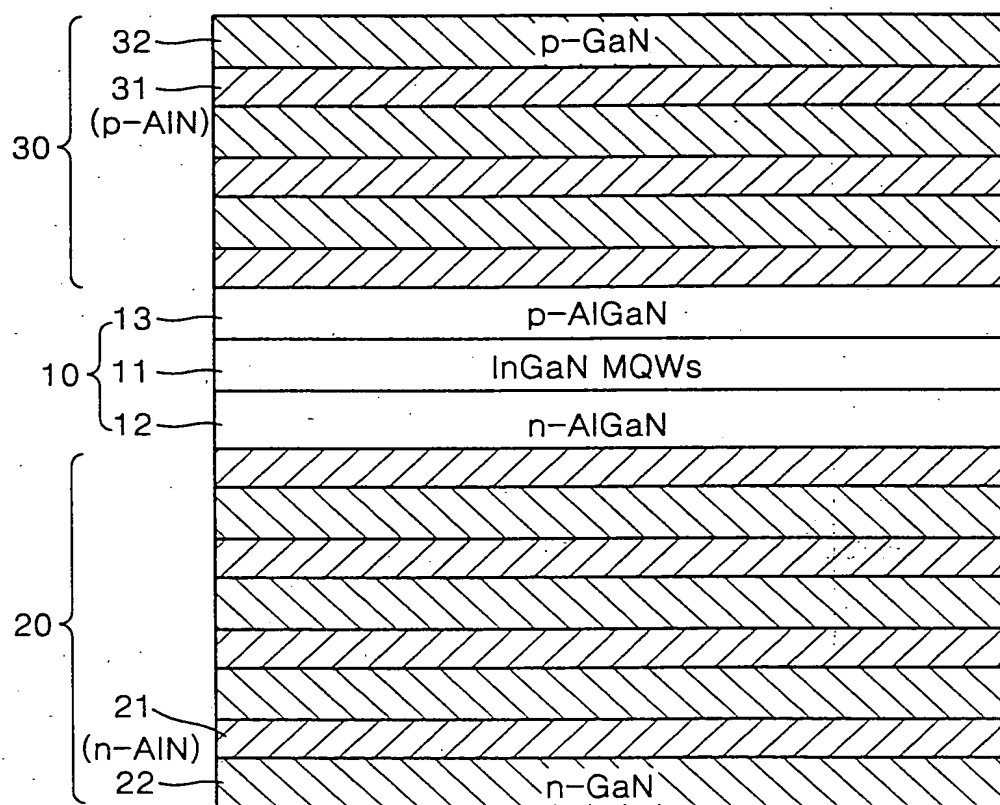

FIG. 1 (PRIOR ART)

This diagram shows a cross-sectional view of a multi-layered structure. At the top, a dome-shaped layer is labeled 48a, with its base indicated by 48b. Below this is a central region labeled "Spacer". The structure is composed of several horizontal layers: a top layer 50, followed by a layer 48, and then a stack of layers 44, 42, and 40, which are collectively labeled m1. Below these is a layer 41, followed by a layer 43, and then a layer 47. The layers 41 and 43 are collectively labeled m2. A central vertical line is labeled 49. The entire structure is supported by a base layer 47.
